

MATTOHSH

Discovering
unexplored corners

Introduction

Project Overview

- Our website is an interactive map designed to help people explore Alexandria in a modern and engaging way.
- Our targeted audience is everyone in Alexandria or anyone who is interested in Alex and its history and attractions.

- We aim to make the user of our website has the full information that might be needed during his stay in Alex with a modern and interactive way .

Project Scope

The website includes different content sections that match each area's identity Users can explore museums with photos and history enjoy gardens and natural views,find recommendations for hotels,beaches and museums

Key Features

The website includes different content sections that match each area's identity:

1. **Smouha** is popular with modern life and compounds and for sure Antoniades park inside our website you will find an explanation and photos about Antoniades park, Sky line compounds and Green plaza.

2. **San Stefano** is popular with hotels and

architecture creativity so in our website you will find a detailed information about Aziza Fahmy palace and San Stefano hotel provided with photos and videos. Moreover, the Royal Jewellery museum.

3. Mahatet El raml is known for its European styling buildings so we have provided photos about two of the most beautiful buildings in it , Venice Architecture and Le Metropole hotel with

illustration of what really distinguish them and make them unique.

In addition, we couldn't forget the Graeco Roman Museum with photos and description.

3. El Shatby known as its university and cultural sites thus,we provided details about the most thing that distinguish that region Alexandria Bibliotheca.
There are other charm landmarks provided such as The Graeco Remains and commonwealth war cemetery

Ratings For Hotels, Beaches, Museums and Landmarks

Another feature that we have provided to guarantee the best experience for the user.

Landmarks and Museums

We have provided details and ratings about them that help both the locals and foreigners such as the ticket price for the Arab and Egyptian and on the other hand, price for the foreigners, the working hours in winter ,summer and Ramadan.

In the end the visit regulations

The provided landmarks and museums:

1- Ancient Roman Theater

2-Catacombs

3-Alexandria National Museum

Hotels

Hotels are crucial and Alexandria is rich with them so we preferred to make it easier for the user to explore them with photos ,stars and ratings out of 10.

First of all the user will find some photos of these hotels so it will be easier for him to choose which style fits him.

Secondly,a map of its location and also the address written without the map.

Also, the facilities that are provided of course not all of them but what make the hotel unique.

Finally, the price for 1 night so the user is able to choose what to cope with his finances.

Hotels that are provided:

- 1. Tolip Hotel**
- 2. Helnan Antoniades Palace Hotel**
- 3. Crowne Plaza Alexandria Mirage by IHG**

Beaches

The most thing that Alexandria is popular with is The Beaches.

As our country is distinguished with charming sea views it was essential to add them.

To make it easy for the user to explore the sea at first we have provided an overview. It is an abbreviation for the beach.

Next, the section What to expect ,it is to make the user familiar

with the sea and what he can try when he reaches there.

Secondly, tips as the user maybe not familiar to the city we have provided tips that will help him to cope with the conditions and also to help him to know what to do after swimming or outside the beach by providing the surroundings that will make his day better

Beaches that are provided:

- 1. Montazah Aida beach**
- 2. Maamoura Beach**
- 3. San Stefano Beach**

Map overview

In application of the name of the website we have provided maps for every region, hotel and beach in our website and for a broader experience we provided the map of the whole city so literally the user can't get lost.

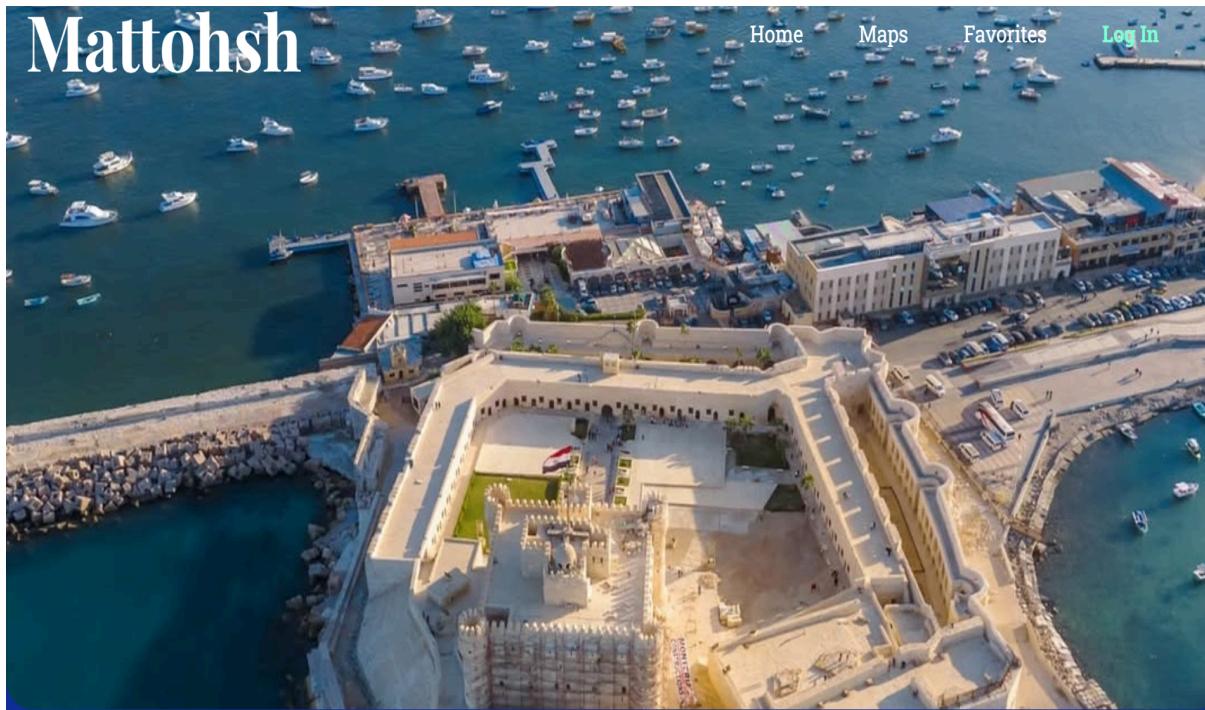

Sidebar and favourites

In order to make the using of our website fun the user has the ability to navigate easily through his favourite regions using the sidebar . consequently, a smooth interaction, so exploring the city feels simple, fun, and intuitive for everyone.

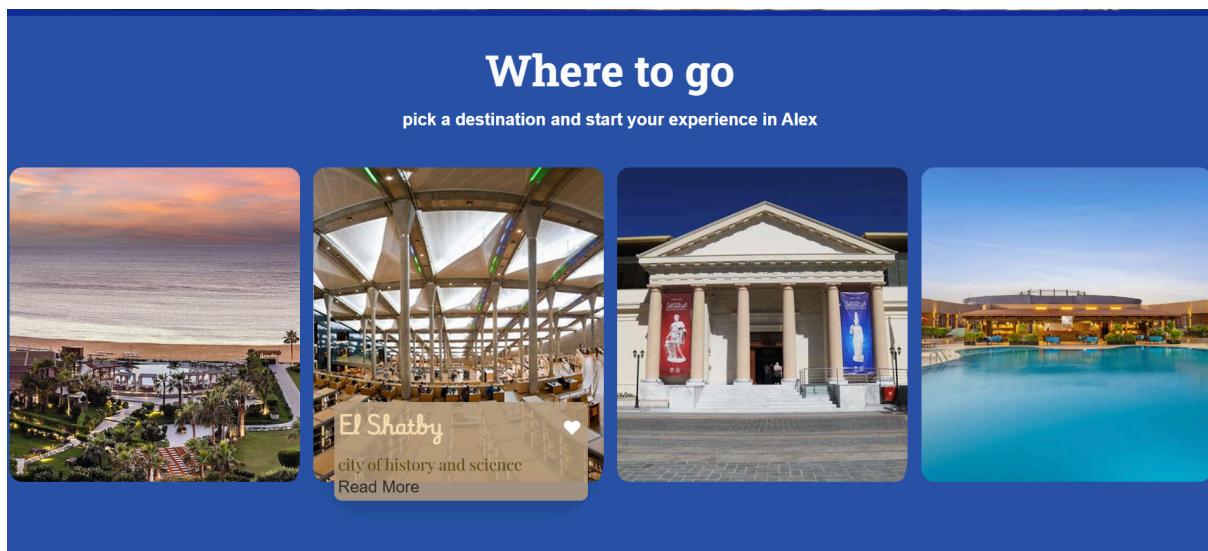

User Interface

Homepage

In the beginning of the home page there is an image slider showing the monuments and tourist attractions in Alexandria

Secondly, the regions in the website that are provided with a heart so you can add any region to favourites

Next, The sections sorted according to the included places

Sections Content

Here you will find all the information about places in the selected region

Montazah Aida beach ★★★★★

[show on map](#) Al Mandarah Bahri, Montaza 2

Overview

Montazah Aida Beach, located in Sidi Bishr, offers a tranquil and exclusive atmosphere compared to public beaches. The well-maintained facilities such as loungers, umbrellas, and private cabanas provide a luxurious beach experience. The clear waters and soft sands create a relaxing environment for visitors. This beach has been featured in classic and modern movies, making it a place of memories and history. Why you should go:

💡 What to expect?

- Engage in swimming in the wonderful sea waters
- Enjoy a serene and selective climate compared to public beaches
- Relax on well-maintained facilities including loungers, umbrellas, and cabanas

💡 Tips

- Experience a blend of natural beauty and historical significance within Montazah Palace grounds.
- Bring sunscreen and water as there might not be many vendors around selling these items.
- Visit during weekdays to avoid crowds.

ticket price

50 LE (free for children less than 6years)

opened from 7 am to 11 pm

San Stefano Beach ★★★★★

[show on map](#) San Stefano, El Raml 1, El-Geish Road

Overview

San Stefano Beach is one of the most upscale and beautiful beaches in Alexandria. It's an ideal destination for those looking to spend a special day in luxury and relaxation. Combining enchanting nature with luxurious amenities, the beach is the perfect choice for sea lovers and those who enjoy relaxation amidst a sophisticated atmosphere and comprehensive services. The beach boasts clear blue waters and soft golden sands. It also offers a variety of activities and facilities to suit all tastes.

💡 What to expect?

- Enjoy walkways extending to the sea, offering a rare opportunity to walk through the water and capture some stunning souvenir photos
- Embrace a fun adventure by swimming in the clear waters, or enjoy exciting water sports like diving and surfing under the supervision of professional instructors
- Enjoy the stunning sea view
- For children, the beach features a safe and fun play area

(Landmarks and Museums)

Catacombs ★★★★☆

Overview

The Catacombs of Kom el-Shuqafa are a historical archaeological site located in Alexandria, in the Kom el-Shuqafa area, south of the Mina el-Basal district. It is considered one of the city's most important cemeteries and one of the Seven Wonders of the Middle Ages. The cemetery consists of a series of tombs, statues, and Alexandrian archaeological remains from the Pharaonic funerary cult. Due to the time period, many features of the catacombs at Kom el-Shuqafa combine Roman, Greek, and Egyptian cultural influences.

CONCLUSION

Achievements:

I see that we have achieved what we aimed to achieve of course if we had more time we would make a better version of it

Improvement in the future:

To improve it we may add a feature that organizes trips or make deals with hotels and offer them on the website or adding payment processes or Search tab for regions after increasing them.
